

Join the Maine Alliance for Addiction Recovery to celebrate National Alcohol & Drug Addiction Recovery Month at the China Lake Conference Center

Saturday September 19, 2009

9:00—4:00

**Registration is free and
snacks & lunch are provided!**

The day begins with registration from 9:00 – 9:30 with a closing at 3:00. Participants & their families are welcome to enjoy the grounds & fellowship until 4:00.

Workshops will include:

Recovery & Deep Ecology

Will be held outdoors & will focus on developing intimate connections with the natural world for healing and solace (morning & afternoon sessions)

**Wear suitable clothing for outdoors & bring bug repellent*

The Language of Recovery Advocacy

The importance of language will be discussed as it facilitates cultural transformation. Recovery advocates continue to refine the ways recovery concepts are presented to recovery communities as well as the general public to reflect the reality & hope of the recovery experience.

Families in Recovery

Family members are key allies in the recovery processes of loved ones; they also have unique recovery needs & experiences. These issues will be explored & discussed.

Deadline for registration is September 15, 2009.

We will send travel directions & program when we confirm registration.

**Space is available for musicians to jam
Children's activities will be available to enjoy
with adult supervision**
