**MAPSA** is a statewide grassroots network created in 1999 to provide an advocacy voice for substance abuse prevention.

**MAPSA** represents service providers, agencies, coalitions and individuals who have an interest in and a commitment to substance abuse prevention.

### **MAPSA:**

Advocates to the  
State Legislature

Educates the  
general public

Influences  
public policy

Raises awareness

Uses media  
effectively

Provides the network  
to share resources  
and ideas

### **Why you should get involved with MAPSA**

A comprehensive and active statewide substance abuse prevention association benefits Maine and its communities in many ways. MAPSA works to:

- Create a statewide climate where communities are empowered to address substance abuse issues.
- Demonstrate to key stakeholders that substance abuse prevention needs to be a statewide public health priority.
- Provide a network for prevention professionals and coalition members to identify and take action on common issues.
- Provide an avenue for dissemination of current research, best-practices, publications, and resources.
- Identify opportunities for state and federal resources.

### **Who should get involved?**

Anyone with an interest in substance abuse prevention issues!
