

All-Recovery Support Meetings

What? All Recovery Support Meetings are based on the philosophy that people from every addiction recovery pathway have much in common and can benefit from sharing together. These meetings offer a place where people can share their addiction recovery experiences, with an emphasis on the hope and healing of recovery and how recovery has changed our lives, regardless of the substance or behavior that is at the root of our addiction.

All meetings are free of charge!

Currently there are four Caduceus Meetings in our state, in:

- Manchester
- Presque Isle
- Portland
- Bangor (beginning June 2010)
